

Lowell's Blog Issue # 12 – March 22, 2015

Lowell Davis Little Critters

One of my most popular series of figurines has to be my whimsical Little Critters series of figurines produced by Border Fine Arts of Scotland in cold cast porcelain. I also did a music box based on one of the figurines in this series. In this issue of my blog, I want to show you all the pieces in this beautiful series.

Your friend!

Lowell
